Thank You FOR BEING PART OF THE STORY

At this time of year, we're reminded of Mary and what some might call an "unplanned pregnancy." In truth, Mary's pregnancy was the most *planned* of all time. God foretold this pregnancy through Old Testament prophets, even telling us this Child would be born in Bethlehem.

The challenge however, was shifting Mary's thinking from the natural "How can this be, for I am a virgin?" to the supernatural "be it done to me according to your word".

For those of us at The Pregnancy Center of Gadsden County, we do not deal with planned pregnancies like Mary's. But we do have opportunities to help shift the thinking of those we see by reaching their hearts. Those who come in our door often see their babies as anything from an inconvenience to an unfathomable crisis which must be stopped in its tracks.

In a time of confusion and pain, we understand the fear. We understand the desire to get out of what might appear to be a hopeless situation.

But . . . if even in fear we can take

a step back and see how God *can* work, there is hope. When there is hope, there is a path to joy.

Our role is to share that God is still at work even when we mistakenly toss aside the storybook of our lives. Instead of berating us, God places His arm around us, places the book back on our laps and says, "Let's do this together. There is a new chapter to be written and you'll smile again as the story unfolds."

What we do may not be as miraculous as Mary's situation. Up to the point of her pregnancy, Mary had kept the storybook of her life intact—we see this as the angel Gabriel said to her, "You have found favor with God!"

For those we see, many feel as if they are *out* of favor with God. Perhaps they are right. We don't

know. But very much like Mary's thinking changed from the natural to the supernatural, when she encountered God; our hope is that with our clients, their thinking—even in crisis—will shift in the same way.

You are a part of this story. Because of your willingness to help bear the cross for these women, many who walk in our door will leave with a new perspective and many times a new life in Christ.

As we close 2020, we're thankful for you. You're making a difference.

If you wish to launch 2021 with an investment in changing more perspectives and giving more moms and children hope in the New Year, visit our web site www.friendsofpcgc.life and add your name to those giving special year-end gifts.

Here's to a great 2021, one with more hope, more joy, and new stories waiting to be written.

HAVE YOU MET Abby?

If you haven't, you should. She is an absolute delight and PCGC is blessed to have her as a volunteer.

Abby has been with us for five years now serving in various positions. If you call on a Wednesday, you may get to hear her cheerful voice and if you come to any of our events you

will surely get blessed with one of her beautiful smiles. We can always rely on her and she is always happy to serve wherever she is needed. Quite recently she was our White Elephant Elf! We are also grateful for her healthy (sometimes impish) sense of humor!

Abby is great with teens and has been a wonderful mentor and leader to the youth who have taken part in our Youth Development Program.

Abby has many talents. When she is not volunteering, she can usually be found serving in her church again cheerfully and wherever is needed.

Abby is not only passionate about pro-life issues but is also a gifted musician vocally and instrumentally. She sings and plays the piano at church as well as offering piano lessons through her business *Grace Notes*.

We are grateful for you, Abby, and know our clients are too.

To hear Abby perform or to learn more about lessons, you can find her on social media and through her church- Grace Baptist in Gadsden County.

Check out our new website www.FriendsofPCGC.life and follow us on social media!

WALK FOR LIFE - KEEP THE TINY HUMANS *Alive*

The Walk for Life was a great success thanks to all of our wonderful supporters! Between this event and all of the support we received from everyone who gave to help offset the loss of our banquet, we were able to meet our goal of \$50,000! We are so grateful to each of you and thank God to be a part of this incredible community of Believers who care about protecting life and building families. Praise be to the Lord, for His mercy and grace are overflowing!

Men, LET'S REACH MEN

The Pregnancy Center of Gadsden County moving forward in our efforts to reach the men who come in our door. One of the key ingredients to our success will be input, engagement and ownership from those who know best what it means to be a father.

Therefore, we ask for your

insight. Soon, we will hold an informal gathering of men to discuss and brainstorm solutions for reaching men most effectively. Several samples of curricula and ideas will be available for all of you to consider.

Over time, we want to effectively strengthen these young fathers, many of whom have never had a father in their lives.

Our ultimate mission? Build more families— families with two parents— families with a faith in God and hearts to serve others.

In short then, we'd love for you to join us as we launch and build this effort.

As we begin this process, we realize time is a factor for many. At this point, we are not asking for volunteers or for those who will play certain roles. All we are looking for are those who will provide input and counsel.

Interested? I hope so. If so, simply drop me an email at Kimberly@pcgc.life or call at 850-539-1221. From there, we'll connect and find a time when most of us can meet and begin this process. It's an exciting time for The Pregnancy Center of Gadsden County and we would love to have you join us.

THIS IS YOUR SIGN!

Have you been considering getting involved with ministry? Ponder the question no more. You're needed here!

PCGC is looking for a few individuals to assist us as we grow. Specifically, we are in need of a Nurse for about 10-15 hours per week, a Receptionist who is exceedingly friendly and proficient in administrative tasks, a Church

Relations Coordinator or Coordination Team to assist PCGC in connecting with local churches, Baby Boutique Helpers and Client Advocates for men and women. We are looking for volunteers and staff. To find out more please email us at Melody@pcgc.life
