

We Wish You a Merry Christmas

We are so excited about our Christmas Card in downtown Havana that we decided to also put it on the front page of this newsletter!

In the words of Ellen Griswold, "It's a beaut, Clark!"

We had many ideas to choose from but decided to focus on an image of baby Jesus with Mary and Joseph, both His mother and earthly step-father.

Many times Joseph is left out of the Christmas imagery or put aside somewhere in the background. I'm sure this is not nefarious in nature but just bringing attention to other obvious areas of importance in the Christmas story.

However, in deciding how we would present our organization and work to the world through a Christmas Card, we could not leave out the step-dad and father figure.

Joseph was an extraordinary biblical

character that played a large role in the life of Jesus. He was a man who showed exemplary faith in a difficult time and adopted a child that was not his by blood. How beautiful it is though, that by the blood of this adopted child, Joseph would one day himself be saved.

God does weave a beautiful tale, and oh how long our weary world had waited for its Savior.

Christmas is a very special time of year. As we celebrate the "greatest unplanned pregnancy ever told", we also celebrate the countless special mothers who have chosen life for their babies.

We're so blessed to be part of this joyous, yet difficult journey and we're grateful that you are a part of our ministry team. On behalf of The Center, we wish you and yours a Merry Christmas!

We have been busy all year with our STI clinic and various other programs.

These efforts have continually brought men and women through our doors allowing us to share the gospel with each of them and offer them the opportunity to know their

Savior personally.

YOU have played a huge part in these stories. We can't thank you enough for making this possible!

During this season of peace, joy, and love, we greatly appreciate your participation in our life-saving mission.

May God bless you abundantly!

In Christ,

Kimberly

Walk for Life For Such a Time As This

Thank YOU for supporting our mission by Walking for Life!

We had a wonderful time of fellowship and fundraising at our Walk for Life this year. Your partnership allows PCGC to raise the funds necessary to continue to **Save Lives and Strengthen Families.**

Thank YOU for your generosity!

\$ 33,938.00 Total Raised | 3 Liaisons | 40 Walkers | 126 Sponsors | 5 Churches

Please support the amazing churches, business and individuals who stand for life in our community. These wonderful supporters are listed on the back of this newsletter.

Scott Beigle from 90.1 Faith Radio & Pastor Erskine from Havana First Baptist posing next to our beautiful Christmas Card in downtown Havana.

Jodi & Juli Hill, two of our AMAZING Client Advocates and three of their sweeties.

Alicia Longshore, PCGC loves you Beary much!

Raising a generation of children who LOVE LIFE!

Some of our wonderful friends from All Nations Church.

Memorial to the Unborn

"A voice is heard in Ramah, weeping and great mourning, Rachel weeping for her children and refusing to be comforted, because they are no more." Matt 2:18

In reality the violence of abortion stops one heart from beating and leaves the others involved forever broken.

Women and men who have experienced this are never the same afterward. Just ask them.

The idea that abortion solves any problem is a lie and those who believe it are walking under deep deception. Abortion causes only harm to, not only the family, but to our society. A civilized people do not kill their young.

Abortion is the antithesis of progress and a violation of nature.

The genetic bond between mother and child is legendary and does not end with the ending of pregnancy.

Did you know that both mom and baby share each other's cells during pregnancy? As early as the second week of pregnancy, there is a two-way flow of cells and DNA

between the fetus and the mother. This phenomenon is called microchimerism. These fetal cells have been found to stay in the mother's body beyond the time of pregnancy, and in some cases for as long as decades after the birth of the baby.

In some cases, even cells from maternal grandmothers – acquired during a mother's own gestation – can be transferred to the fetus. Other studies have shown the fetal cells to be lifesaving to the mother, helping her to heal from diseases such as cancer and autoimmune disorder.

To take the life of your own child is a violation of soul, mind, and body.

Many times after a couple experiences this tragedy, they are left with feelings of deep regret, shame and self-loathing. The world does not offer much for this suffering- but God does.

We are honored to be a part of the healing

process for post-abortive men and women. We offer them a place of solace and help to apply the Word of God to these deep wounds through our Abortion Recovery Groups and Memorial Garden.

At PCGC, we now have a private garden where people can come to recognize and honor the lives of children taken by abortion. It is a place to be alone with the Lord and meditate on His word. We have a place where one can write a note or a prayer in the sand at the foot of the cross, bringing their brokenness to the only One who can heal wounds such as these.

This Memorial Garden is open to all and we invite you to visit, to pray and to share with others about this special place.

Florida alone averages over 70,000 abortions a year. This means that even if abortion ends in our lifetime there are still hundreds of thousands of women and men suffering silently and in need of healing.

Upcoming Events

NEW VOLUNTEER INTEREST MEETING:

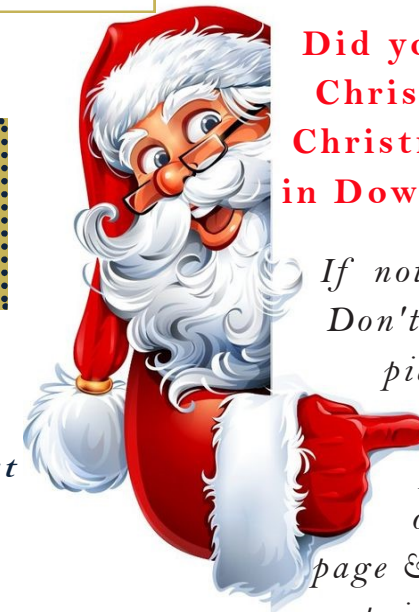

SAT. JANUARY 8TH, 9AM, ABELLA
Stop by for a tour of our facility and a chat about where you fit in to our mission to save lives and strengthen families.

NEW YEAR PRAYER MEETING:

SAT. JANUARY 8TH, 10AM, ABELLA Are you a prayer warrior? Join us for our annual prayer meeting to help PCGC start our new year off right and to pick up a 2022 PCGC Prayer Calendar! A guide you can use to pray with us all year long!

SANCTITY OF HUMAN LIFE SUNDAY: JANUARY 16, 2022

Sanctity of Human Life Sunday is observed each year on the Sunday closest to the anniversary of Roe v. Wade. It is a day observed by Believers across the nation whose hearts are grieved by the tragedy of abortion. If we honored each baby aborted since 1973 with a moment of silence, we would be silent for over 100 years. Contact us at 850-539-1221 to schedule a speaker for your church's recognition of SOHLS. This can be any Sunday in January. Also, visit www.friendsofpcgc.life to download a quickvideo and SOHL printables.

Did you see PCGC's Christmas Card on Christmas Card Lane in Downtown Havana?

If not, go check it out! Don't forget to snap a picture with it!

We will post pictures on our social media page & you could win a prize from Santa!
