For Such a Time as This

"Do not think that because you are in the king's house you alone of all the Jews will escape. For if you remain silent at this time, relief and deliverance for the Jews will arise from another place, but you and your father's family will perish. And who knows but that you have come to your royal position for such a time as this?"

God knew the Jews would find themselves in a dire situation. He knew this when He created Esther. This was the moment for which she was born; a defining moment in her life that would require absolute faith and obedience. She did what she was called to do and was rewarded with the lives of her people and the honor of being named as faithful to God.

This story gives me hope in trying times. I am inspired by the selfless and courageous actions of a young woman, in far above her head.

I am also heartened by the faith of Mordecai. I love the way that Mordecai

let Esther know, in no uncertain terms, that God would provide "relief and deliverance" and it would be in her best interest to be a part of the solution— and to not remain silent.

God always provides. He is always faithful. We are the ones who waiver, question and doubt. *Please, Lord let us be obedient when our moment comes. Amen.*

We have many moments around here that require us to have the courage of our convictions. Daily, we find ourselves engaging the culture and speaking Truth into a dark world.

When a woman—or man—walks in our door, we don't know the details right away or how it will end up but we do know it is a *divine appointment*. We can be certain it was orchestrated by God and that we are perhaps there for just such a moment.

Like Esther, our calling here is to take courage and obey; to be a part of the solution by exposing the lies of the enemy, sharing the Gospel and shining as a light in this dark world.

We may never know the ripple effect our actions have on this side of heaven, I'm sure Esther didn't. Perhaps we are about to touch the heart of someone who could then touch the hearts of thousands, millions— or perhaps just the heart of their own child—a soul won for eternity and a life saved to cherish.

The work we do here is an incredible blessing, not just to the people we serve but to the one serving as well. God shows us over and over again that He has uniquely created us *for such a time as this*. He could use someone else— but would we want Him to?

We would love for you to join us in this incredible mission. The Walk for Life season is a great time to jump right in!

Give us a call and let's see how God will use you to touch hearts for eternity

For Life,

Kimberly

What would you do to save a life?

What if it was as simple as taking part in a FUNdraiser?

Well it is- and we would love to have you on the team!

To make a difference in the lives of women facing unplanned pregnancy, you can join The Pregnancy Center of Gadsden County by being a part of our Walk for Life!

We are looking for people to help us as we connect with churches in our area! If you will give us just a few hours of your time, it can make all the difference in the world for the women and men who walk through our doors. These amazing people put up posters, recruit walkers, and perhaps assist in a presentation to a Sunday School class or congregation. They help get more people involved to raise the funds necessary that allow us to continue to *Save Lives and Strengthen Families*.
